

# SUPPORT FOR TFWs AFFECTED BY COVID-19

## PRAIRIE REGION | WHAT WE DO

A collaborative partnership between three umbrella organizations & five immigrant serving agencies across the Prairie provinces, we work alongside employers & host communities within our respective areas to provide assistance to temporary foreign workers (TFWs) & their families who have been or could be affected by COVID-19.

This special project was initiated by Employment and Social Development Canada (ESDC) under the leadership of Calgary Catholic Immigration Society (CCIS).

## SERVICES PROVIDED

- Group information & orientation sessions on illness prevention, personal protection, self-care, & employee rights & responsibilities
- One-on-one support & referrals to meet the basic essential needs of those affected.
- Resources & services to enable TFWs to exercise their rights.
- Support in areas including but not limited to: case management, health & income support referrals, trauma counselling, assistance in applying for benefits, interpretation services, short-term shelter & housing, food, clothing, & transportation for workers in distress
